

## ABOUT THE SHOW AND CHARACTERS

The worlds of Oz and Wonderland collide in this fantastically fun musical romp, cleverly and carefully adapted from the works of L. Frank Baum and Lewis Carroll. Naturally, Dorothy and Alice would become instant friends if they met. After all, they're both girls who want to return home from the fantasy worlds in which they find themselves. Now, you can bring this imaginary possibility to life with this rollicking musical!

Dorothy, Toto, and the characters of Oz get caught in another whirlwind that sweeps them off to Wonderland, where they meet Alice, the White Rabbit, the Mad Hatter, the March Hare, the Cheshire Cat, and many more! It's truly a mad adventure!

And you thought the Wicked Witch of the West was bad? Now they face a dangerous new foe — the Queen of Hearts! At least Dorothy's companions now have their brains, heart, and courage! Dorothy, Alice, and their friends join forces to defeat the queen at Croquet, but will that be enough to return Wonderland to normal and get everybody back home?
